### *Laughter is the Best Medicine*

As many of you know, Italy is dealing with an onslaught of the Corona Virus. The item below came to me via WhatsApp today from CDXA Member Fabrizio "Brix" Vedovelli, IN3ZNR. Brix lives in the Italian Alps in a city named Trento. Many of you have worked Brix in various contests where he often recognizes your callsign in the fray of the contest.

The resiliency of the human spirit is an amazing thing. In the midst of all that is going on in Italy, Brix can still be amused at our human foibles.

Since many of you are likely "hunkered down" at home, I wanted, as your editor, to allow a little humor to creep into your lives, thanks to Brix.

Enjoy. --*The Editor*

It was a quiet Monday morning in September 2053, when John awoke with a need to go to the bathroom. To John this wasn't just any ordinary day! This was the day he would open the last package of toilet paper his parents bought in the year 2020.
